## We Gather Together

Building up the Church in Worship

Worship and Small Group Series for All Ages

**Begins  
January  
29th**

For several years, the First Baptist staff has dreamed of having all ages, from preschool to adults, studying the same topic for a period of time. Last summer, we came across a 5 week curriculum, with lesson plans for preschool, children, youth and adults, written by the Baptist Seminary of Kentucky and the Kentucky Cooperative Baptist Fellowship on worship called “When We Gather Together: Building Up the Church in Worship.” Since worship is so central to our life together as a church, we can’t imagine a better topic to study together!

Our hope is that our depth of understanding and spiritual growth can be enhanced by the opportunity to learn about worship in the small group setting and then, to hear our Pastor Carol McEntyre preach about worship during the 5 weeks of the study. We hope that this intersection of discussion can lead to intergenerational conversations about worship at lunch on Sundays after church and all week long.

If you are not part of a Sunday Morning Small Group, we hope you will consider joining one for the We Gather Together series. Adult small groups meeting at 10:15 on the 2nd floor on Sundays include:

- Discussion class (parlor)
- Faith Forum (E-2 next to the elevator)
- Community Small Group (conference room)
- Young Adult Small Group (library).

Additionally, a sermon discussion group meets every other Sunday immediately after traditional worship in the 2nd floor conference room (next meeting: Jan. 29).

# Pending Approval for the Pastoral Residency Ministry

Over the past year, you have heard about the work being done on the possible creation of a Pastoral Residency Ministry at First Baptist. On January 16th, the Church Council unanimously approved a motion to begin this ministry for a trial period. Now, the Serving Team is bringing that request to the church at the Business Meeting on January 22nd, asking for your blessing and support. The Pastoral Residency Ministry is an opportunity for our church to shape and train a recent seminary graduate seeking to enter the pastorate. The resident will serve at First Baptist for a 2-year period where he or she will learn, with the support of the church staff and the congregation, how to be a pastor. The Serving Team believes that this is a mission and ministry in which our entire church can participate. Below are some of the important steps that have been taken to bring about this opportunity.

- Feb 2015- Idea of a Pastoral Residency Ministry is first discussed by the Serving Team at a visioning meeting on Leadership Night.
- April 25-27, 2016- A preliminary team from the Serving Team attends the Pastoral Excellency Network Workshop in Indianapolis designed to help churches discern the calling to residency ministry and provide coaching and support from churches that have started such ministries.
- May 15th- The idea of a Pastoral Residency Ministry is first presented to the church at the Church Business Meeting. The church approved \$15,000 of Endowment money to be set aside as seed money for the ministry pending church approval of the ministry.
- May 2016- The Serving Team forms a sub-team, the Pastoral Residency Team, to begin work on creating a proposal for a Pastoral Residency Ministry at First Baptist. Team members include: Mark Thomas (chair), Michael McEntyre (staff liaison), Dave Bennett, David Chang, Ken Hammann, Bob Russell, and Khaki Westerfield. This team begins to meet monthly.
- Sept 29th, 2016- Pastoral Residency Team presents initial proposal to create a Pastoral Residency Ministry at First Baptist to the Church Council.
- October 27th, 2016- Pastoral Residency Team submits grant application to the Pastoral Excellence Network. The team is awarded a \$25,000 grant to help start this ministry at First Baptist pending church approval.
- Nov 13th- The Pastoral Residency Team presents the proposal of a Pastoral Residency Ministry to the church at the Church Business Meeting and opens the floor for discussion.
- Nov 29th- The Pastoral Residency Team conducts a churchwide listening session with guests Dr. George Mason (pastor of Wilshire Baptist Church in Dallas, TX) and Rev. Jason Edwards, pastor of Second Baptist Church in Liberty, MO.
- Dec 2016- Jan 2017- The Pastoral Residency Team sent out testimonials via churchwide emails regarding the work and process of the Pastoral Residency Ministry.

As you can see, much work has gone into this idea. Below is the motion that will be voted on by the church on Sunday. The motion comes to us from the Missions Team and has been approved by the Church Council and the Finance Committee.

*The First Baptist Serving Team moves that the church approve the establishment of a Pastoral Residency Ministry at First Baptist Church. This new ministry/mission will be designed to shape and prepare young pastors for a successful lifetime of pastoral ministry. To start on August 1, 2017, we move that the Pastoral Residency initially begin with one resident who will serve as a ministerial staff member without portfolio for a period of two years. We request that this ministry be approved with ongoing evaluation to determine its feasibility and effectiveness.*

By mentoring young pastors, we have a chance to help create and keep great leaders in the church. What an incredible way to serve God by shaping those who will lead God's church for years to come. We believe this is a ministry that everyone can be involved in and it is our desire that church support this ministry by voting yes and then by getting involved with your time, attention and prayers!

"...for I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me." Then the righteous will answer him, "Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to drink? And when was it that we saw you a stranger and welcomed you, or naked and gave you clothing? And when was it that we saw you sick or in prison and visited you?" And the king will answer them, "Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me."

## Identifying Family Photos

As we continue to dig into our history, we have uncovered a treasure trove of wonderful and historic photographs. Unfortunately, most of them are not labeled and we are having difficulty identifying many of the people in them as well as a time frame and the event. Beginning the week of March 13, hundreds of pictures will be spread out in the 2nd floor conference room and we are asking for your help in our efforts to identify them. The room will be open between the hours of 10:00am and 12:00pm and 1:30pm and 3:30pm. Someone will be there to help you. You do not need to call ahead, just stop by and help us with this important endeavor and be prepared to experience a few memories.
