

Book Discussions Group

The Teaching Team would like to invite First Baptist family and friends to join our annual book discussion group from our summer 2016 book list. Below are the four books with the dates that we will be discussing this year. Each gathering will be held in the Parlor on the second floor at 10:00am.

Daring Greatly

January 14th, Facilitator: Kim Siegenthaler

Daring Greatly is not about winning or losing. It's about courage. In a world where "never enough" dominates and feeling afraid has become second nature, vulnerability is subversive. Uncomfortable. It's even a little dangerous at times. And, without question, putting ourselves out there means there's a far greater risk of getting criticized or feeling hurt. But when we step back and examine our lives, we will find that nothing is as uncomfortable, dangerous, and hurtful as standing on the outside of our lives looking in and wondering what it would be like if we had the courage to step into the arena—whether it's a new relationship, an important meeting, the creative process, or a difficult family conversation. Daring Greatly is a practice and a powerful new vision for letting ourselves be seen.

Simply Christian

July 22: Facilitator: John Hal

Not since C.S. Lewis's *Mere Christianity* has such a wise and informed leader taken the time to explain what Christianity is and how it is practiced. In *Simply Christian*, renowned biblical scholar and Anglican bishop N.T. Wright makes a case for Christianity from the ground up. Walking the reader through the Christian faith step-by-step and question by question, Wright's *Simply Christian* offers explanations for even the toughest doubt-filled skeptics, leaving believers with a reason for renewed faith.

The Return of The Prodigal Son

April 22: Facilitator: Noah Hartfield

A chance encounter with a reproduction of Rembrandt's *The Return of the Prodigal Son* catapulted Henri Nouwen on a long spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell.

Bowling Alone

October 21st: Facilitator TBA

Drawing on vast new data that reveal Americans' changing behavior, Putnam shows how we have become increasingly disconnected from one another and how social structures—whether they be PTA, church, or political parties—have disintegrated. Until the publication of this groundbreaking work, no one had so deftly diagnosed the harm that these broken bonds have wreaked on our physical and civic health, nor had anyone exalted their fundamental power in creating a society that is happy, healthy, and safe.
